

Disability Discrimination Act Training

This course provides a better understanding of the DDA, what reasonable adjustments are and how they relate to your business or organisation.

Understanding the act and your subsequent responsibilities is key to opening up your service to disabled people and avoiding any potential legal action.

	Dates	Location
	½ day	
Trainer	Martin Austin; Managing Director	
Aims and Objectives	To equip you with the understanding of The Act needed to invoke any necessary change in your organisation and improve disabled peoples ability to access your service / employment opportunities.
